

Dear Community Partners,

We're excited about the opportunity to partner with you in shaping the future of healthcare leadership. As a valued healthcare organization with members actively engaged in our chapter, we'd like to invite you to partner with the ACHE Chapter of East Tennessee as a sponsor for 2026.

Who We Are

The American College of Healthcare Executives (ACHE) is a professional society dedicated to advancing healthcare leadership and management excellence. Our vision is to be the premier professional society in East Tennessee for healthcare executives dedicated to improving healthcare delivery. We live by our values—integrity, lifelong learning, leadership, and diversity.

The ACHE Chapter of East Tennessee was created to provide networking, education, and professional development at the local level. With 400+ members and 10+ events planned for 2026, your sponsorship will help us deliver high-quality programs that strengthen leaders across East Tennessee.
